**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Using an independent service provider has saved my business countless dollars and I always get great customer service. Do not let internet freedom and independent providers like Sonic be struck down by larger companies like AT&T, Combat, and Verizon.

I left those larger providers because I watched as they throttled my usage, throttled usage of my state's hard working first responders, and throttled access to services that are not those of the self-serving websites.
